UW Health Implements SCALE®

Healthcare IP, a leader in revenue cycle management and integrated clearinghouse services, is excited to announce the successful go-live of University of Wisconsin Hospital & Clinics. UW Health joins other top hospitals and health systems in pursuit of a trusted partnership that offers efficiency and premier service.

UW Health is the integrated health system of the University of Wisconsin-Madison serving more than 600,000 patients each year in the Upper Midwest and beyond with approximately 1,750 physicians and 21,000 staff at seven hospitals and more than 80 outpatient sites.

Healthcare IP is an integrated partner of healthcare provider and payer organizations, advocating data transparency and user experience in the revenue cycle. Our flexible SCALE platform reduces touchpoints through workflow automation and organizes data to make sense. Regardless of shape, size or specialty, we welcome collaborative partnerships and believe better is possible together.
